

Asirt Advantages

Advantages of using Asirt

GOOD VALUE/ SECURE

Asirt has consistently shown substantial savings over conventional recruitment systems – and most outsource agencies.

Asirt is one of the securest, most confidential on-line recruitment processes.

It enables your HR department to have quality participation in recruiting – and on-line access to each applicant's details.

PRECISION

You give us the specifications: Asirt develops the on-line questionnaire.

Asirt's automatic filtering and ranking system prioritises applicants immediately.

No lost applicants.

BRAND SUPPORTIVE

Asirt's helps underpin your organisation's brand values.

Enhances your reputation through courteous and prompt response.

You're in control: no third parties representing you.

Sets common benchmarks for consistency, speed, quality, and precision – for every office, UK and worldwide.

FLEXIBLE/FAIR

Asirt's flexibility means it is applicable at all staff levels.

Every candidate is judged on a level playing field and without bias.

It is fully EOE compliant.
