

## General Recruitment

Asirt is your out-source bureau for on-line recruitment.

It makes really creative use of modern on-line recruiting tools, combining the use of on-line application forms, job board management and imaginative media exposure.

It is secure, precise, quick and will reduce your HR agency spend.

It attracts filters and prioritises all your candidates.

You retain complete control whilst Asirt completes the whole process for you.

&hellip; so why is Asirt considered the best?

When compared against conventional processes, Asirt can &hellip;

- \* Reach and secure the best candidates quicker.
- \* Sort and prioritise your candidates automatically.
- \* Be more flexible in day-to-day usage.
- \* Give greater information feedback to HR departments.
- \* Be fairer to - and more communicative - with all applicants

&hellip; and do all this at a much reduced cost!
